

Framing & presentation **Signature frames**

Presentation

Doug's work is presented in a minimalist floating frame available in:

Thin black

Dark walnut

Natural oak (by request)

Purpose of This Standard

The frame acts as an architectural boundary—crisp, quiet, timeless—ensuring the artwork integrates with a wide range of interior palettes from Jackson Hole to Tahoe.

Glazing & Backing

UV-protective acrylic or Museum Glass

Archival backing

Secure hardware installation recommended for large-scale works

Custom framing

If a project requires a specific material or finish, Doug collaborates with designers to create a frame that matches surrounding woods, metals, or millwork.
